Tables

Amounts in brackets indicate a negative value.

IALA means "Inter-Agency Letter of Agreement".

OPC means "operationally but not financially completed".

The asterisk (*) following the project number indicates that UNCTAD acted as associate agency.

Details and percentages do not necessarily add up to totals, owing to rounding.

The financial data in the tables on projects reflect the situation as at 31 December 1998. Occasionally, total expenditures exceed total budget. Early in 1999, budget figures were corrected to reflect correct income. The negative amounts in the 1998 expenditures column pertain to the adjustments of prior year accounts and/or savings on the liquidation of prior year's obligations.
